Announcements for the Week of June 6, 2021

COVID Updates

From your Session, the following update to COVID Protocol:

“All COVID protocols will be lifted come July 1, in accordance with the state mandates. Until that time, we are restriction-free outside, and still masking inside, out of Christian concern and care for those who are still the most vulnerable among us.”

The Worship & CE Committee will be meeting tomorrow to discuss worship in June and July. The plan for now is to return to indoor, unrestricted worship on July 4. Your continued patience is much appreciated.

Directory Update & Congregation Survey

A letter went out to the congregation from Session this past week with a Directory Update form (one per household) and a Congregational Survey form (one per family member in most cases). We would like these forms to come back to the church by June 30. **If you did not receive a mailing** and would like to fill out one or both forms, or if you need more survey forms, please see Pastor Christina after service - there are extras in the office!

Calling All Liturgists!

As we slowly make our way back to more “normal” worship experiences, the Worship and Christian Education Committee would like to start having liturgists sign up again. Those who are interested in serving as a liturgist need to be aware that they will be on the recorded worship service, which will be posted publicly on the church YouTube channel. The sign up sheet is available today on the table. Questions? See Pastor, Marion Nester, Sandy Parr, or Cheri Booth.
