Worshiping Outside! And COVID Updates

At their meeting on May 18, your Session approved having service outside on May 23, May 30, and June 6. This is good news—it means we can worship mask-free and go back to singing some hymns.

COVID guidelines are confusing at best, and we are trying to do things the best we can. We need input from YOU—our congregation—on what you would like to do? Are you comfortable worshiping inside without masks? What about singing? We need to know so we can make the best decisions possible. Please contact any member of Session to discuss.

Calling All Liturgists!

As we slowly make our way back to more “normal” worship experiences, the Worship and Christian Education Committee would like to start having liturgists sign up again, beginning with Sunday, May 30. Those who are interested in serving as a liturgist need to be aware that they will be on the recorded worship service, which will be posted publicly on the church YouTube channel. The sign up sheet is available today on the table in the hallway. Questions? See Pastor, Marion Nester, Sandy Parr, or Cheri Booth.

Do You Know a Musician?

Do you—or someone you know—play an instrument? Would you or they like to offer special music during worship this summer? If this sounds like something you (or someone you know) might be interested in, please talk to Pastor to see how those gifts might be used during worship. Email or text is best as a starting point: pastor@ithacapres.org or 248-217-7178. Thank you in advance for sharing your gift with the church, and helping us to praise God.
